

# Training Tools to Have on Hand

In our programs at **Beast of Burden Recovery and Education Center** - these are some of our "tools of the trade" for training horses, mules, & donkeys!

## Tools:

- ☐ Rope Halter
  - ☐ Lead Rope (12-15ft)
- ☐ Flag
- ☐ Tack:
  - ☐ Saddle
  - ☐ Saddle Pad
  - ☐ Britchen
  - ☐ Breastcollar
  - ☐ Bridle
  - ☐ Eggbutt Snaffle
  - ☐ Bosal
  - ☐ Mecate Reins
- ☐ 60ft xxx Soft Lariat Rope (w/metal honda)

Pictured; Tiny the Mammoth Donkey  
(one of our ambassadors!)

## Facilities:

(These are facilities we have at **Beast of Burden Recovery and Education Center**- this does not mean YOU must have all these things in order to successfully train equines- we have built and invested into these amenities over many years of rehabbing and training equines)

- ☐ Round Corral
- ☐ Tackroom
- ☐ Outdoor Arena
- ☐ Indoor Arena
- ☐ Obstacles
- ☐ Cattle

YOU can come to **Beast of Burden Recovery and Education Center** with YOUR equine to use these facilities too!

*Remember;*  
There is no tool more valuable than knowledge! **HOW** you use these tools is what matters most!  
Having real life experience, good mentors, and applying feel and finesse will make ALL the difference... much more than any tool ever could!

YOU can join us at some of our clinics to learn **HOW** and **WHY** we use these tools to train our equines
